COMMITTEE : S & A
DATE : 09/27/04

The Honorable Camillo Noket
President
Third State Constitutional Convention
Weno, Chuuk State, FM 96942

Dear Mr. President:

Your Committee on Style and Arrangement, to which was referred Committee Proposal No.3-21, entitled:

"A COMMITTEE PROPOSAL amending Section 2 of Article XIII of the State Constitution relating to the establishment, mandate and recognition of Etten as one municipality within the Southern Namoneas Region.",

begs leave to report as follows:

I. RECOMMENDATION:

Your Committee on Style and Arrangement recommends that this referenced proposal be passed in third and final reading, with only one minor change, and which is attached hereunder and designated as CP NO. 3-21, SAD1.

II. ANALYSIS:

A. History.

This committee proposal was originally Delegate Proposal No. 3-79, for the purpose of recognizing Etten as a municipality in the Southern Namoneas Region of the State. If passed, the number of municipalities in the state would be increased from 40 to 41.

B. Findings.

Your Committee is comfortable with the way the subject proposal is being structured and has no further changes to make, except an omission (Piis-Panewu), which was not included in the original version, and with that being part of the action, your Committee is happy to conclude its work as appeared below.

C. Amendment.

The only change being made is shown on the attached Committee Draft One, which is being designated as Committee Proposal No. 3-21;SAD1.

III. CONCLUSION.

Your Committee recommends passage on third and final reading of Committee Proposal No. 3-21;SAD1 as its entire action on the referenced proposal. It is also recommended that this report be adopted, as well.

Respectfully submitted,
